*Natrelle*PLUS™  
WARRANTY PROGRAMME

*Natrelle*™ Silicone  
Gel-Filled Breast  
Implant Warranty

## *Have confidence in your decision*

For patients and surgeons alike, choosing the right implants is an important decision and quality assurance is an integral part of this.

The *Natrelle*™ Collection is built to exacting standards and offers information and support not just to the point of surgery, but far beyond.

When you choose silicone gel-filled breast implants from The *Natrelle*™ Collection, you have the additional peace of mind of our unique *NatrellePLUS*™ lifetime warranty, to which you are automatically enrolled.

This guarantees your implant against loss of shell integrity resulting in implant rupture, that requires surgical intervention.
